Brand Characteristics

Sharp Initial

Irregular Rectangular

Arc Design

The irregular rectangle can be used as a design element logo as long as it is used in conjunction with the Muskoka logo.

The sharp initial is a sign in the logo and attracts customers' attention.

The arc design makes the logo modern and simple.

Completed Logo Design

Logo Clear Space

Colour Study

The primary palette should be used as much as possible in order to highlight white Muskoka.

The red is for add color layers. The blue is the main color for the logo design.

Typographic Study

The primary font is Myriad Pro and is available in a number of weights and styles. This font can be used on all print communications and some digital applications.
